Who We Are

Seven Horses Corporate Services is a trusted provider of skilled manpower, corporate solutions, and integrated facility management services across India.

Headquartered in Rourkela, Odisha, we help businesses improve efficiency, reduce costs, and stay compliant — so they can focus on what matters most: their core operations.

The Name Behind the Brand

"Seven Horses" draws from the iconic Indian symbol of the Sun God's chariot — seven horses pulling in unison toward sunrise. It represents momentum, strength, and the disciplined coordination of many hands working as one. That is exactly what we deliver to industries.

WHAT DRIVES US

Mission. Vision. Values.

01

Our Mission

To strengthen industries by delivering skilled, compliant, and disciplined manpower — backed by training systems that lift entire communities.

02

Our Vision

To be Eastern India's most respected corporate services partner — known for operational integrity, regulatory rigour, and a workforce that takes pride in showing up.

03

Our Values

Integrity, Discipline, Respect, Compliance, and Continuous Improvement — the five pillars on which every deployment, contract, and shift is built.

OUR SERVICE VERTICALS

What We Do

Six integrated service verticals. One accountable partner.

Recruitment & Staffing

Skilled, semi-skilled and unskilled workforce sourcing, vetting, and deployment.

Facility O&M

Boiler O&M, plant utilities, mechanical & electrical maintenance, ARM work.

Safety & Security

Fire safety services, manned guarding, emergency response, audits.

Housekeeping

Mechanized cleaning for offices, factories, hospitals & commercial spaces.

Payroll & Compliance

PF, ESI, GST, statutory returns — one invoice, zero compliance risk.

Training & Skilling

Pre-deployment training plus community skilling for local talent pipelines.

Recruitment & Staffing

From a single technician to a 200-person plant deployment — we source, vet, train, and manage the workforce your operations need.

- ✓ Skilled trades: welders, fitters, electricians, riggers, operators
- ✓ Bulk hiring for plants, shutdowns, expansions, and projects
- ✓ Engagement models: contract staffing, temp-to-perm, project-based
- ✓ Statutory enrolment from Day 1 — PF, ESI, ID, full documentation

Facility Operations & Maintenance

On-site teams running your boilers, utilities, and plant infrastructure — so your engineers can focus on production, not breakdowns.

- ✓ Boiler O&M with IBR-certified operators (where required)
- ✓ Plant utility O&M: WTP/ETP, compressors, DG sets, HVAC
- ✓ Mechanical & electrical preventive and predictive maintenance
- ✓ ARM work for shutdowns, turnarounds, and expansion phases

Safety & Security

Fire safety services, trained security guards, and emergency response — protecting your people, assets, and reputation.

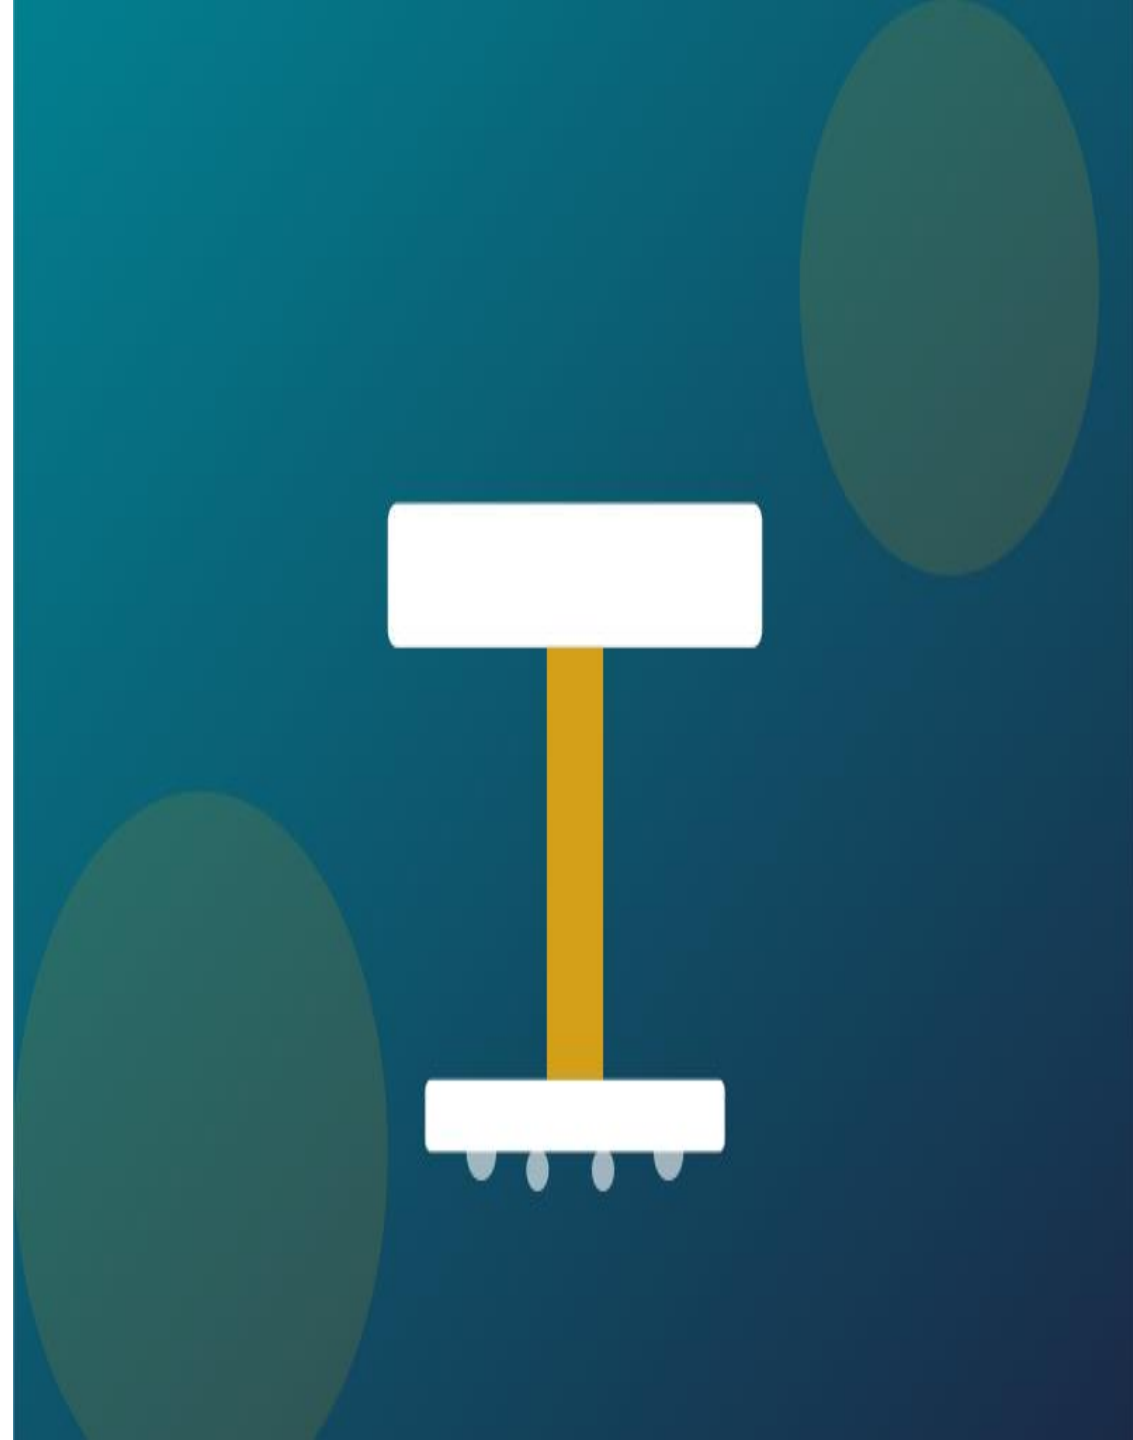

- ✓ Fire-watch personnel and fire-system maintenance
- ✓ Annual fire safety audits & statutory compliance reports
- ✓ Manned guarding — PSARA-compliant, background-verified
- ✓ Emergency Response Teams (ERT) for high-risk facilities

Housekeeping Services

Mechanized housekeeping with trained crews, professional equipment, and audit-ready cleaning protocols.

- ✓ Auto-scrubbers, high-pressure cleaners, HEPA vacuum systems
- ✓ Daily commercial cleaning + periodic deep-cleaning programs
- ✓ Hospital-grade protocols (BMW-aware) for healthcare clients
- ✓ Industrial degreasing, high-bay cleaning, façade cleaning

Payroll & Compliance

End-to-end payroll processing and statutory compliance — one invoice, zero risk, audit-ready always.

- ✓ Monthly payroll, payslips, NEFT-ready files, full & final settlements
- ✓ PF, ESI, PT, LWF, gratuity, statutory bonus — all handled
- ✓ Form 16, TDS quarterly returns, statutory register maintenance
- ✓ PF/ESI inspection support and labour department notice handling

Training & Skill Development

Pre-deployment training plus socially responsible programs that build local talent pipelines.

- ✓ Industrial induction: plant safety, PPE, work permits, site etiquette
- ✓ Trade-specific skilling aligned with NSDC frameworks
- ✓ Fire & safety training: basic, advanced, first aid, mock drills
- ✓ Community skilling for local youth, women, and ITI graduates

WHY US

Why Choose Seven Horses?

Industrial Specialization

We didn't grow on generic office staffing — we built our reputation on power plants, steel mills, and heavy industry.

Compliance Built In

PF, ESI, GST, labour licences, statutory bonus — all handled. You get a single invoice. We handle the rest.

Trained, Not Just Sourced

Every deployment passes through orientation, PPE training, and site-readiness checks before reporting to your floor.

Locally Rooted, Nationally Capable

Rourkela HQ. Deployments across Odisha, Jharkhand, West Bengal, and beyond on request.

OUR PROCESS

How We Work

A five-step delivery model designed for reliability and accountability.

WHAT CLIENTS SAY

Seven Horses has been our manpower backbone for utility operations. Compliance, attendance, and discipline — they handle all three without our intervention.

— Plant Operations Lead

Tier-1 Industrial Client, Eastern India

Trusted by manufacturing plants, power producers, commercial complexes, and government bodies.

OUR COMMITMENT

More Than a Service Provider

Powered by Purpose

We work with communities around Rourkela and the broader Sundargarh region to build careers, not just supply manpower.

1

ITI & Polytechnic Outreach

Active partnerships with local technical institutions for fresh-graduate placement and skill-matching.

2

Women in Workforce

Dedicated programs to bring women into formal employment — housekeeping, security, admin, and trades.

3

Rural Youth Skilling

Pre-deployment training programs for rural and underemployed youth across Odisha.
